Rare opportunity for a Developer to acquire a prime commercial development site known as the Mullica Hill Commerce Center which is strategically located in Harrison Township, Gloucester County. Situated at the intersection of heavily traveled US 322 and Tomlin Station Road and just $\frac{3}{4}$ mile from Exit 2 of the New Jersey Turnpike. This 48+ Acre parcel has been fully approved and improved for 15 individual lots varying in size from 3 to 4.5 acres. Situated in the C55 Flexible Planned Industrial Commercial district, each of these lots are fully approved to build either a 18,000 SF Office or Flex building with 80 +/- vehicle parking. An ideal location in one of the fastest growing Gloucester County communities with access to the Northeast Corridor with proximity to major highways Rt. 295, Rt. 55 for easy commuting within South Jersey, Philadelphia, Delaware and New York.
