Tax Abatement Lots are available to construct a **FLEX BUILDING** as depicted above for an individual business operation, investment purposes or develop as condo units as a standalone facility which can be sold as separate units. The site design can accommodate an 18,000 - 30,000 SF Flex Warehouse building configured with site parking for eighty vehicles. Be a part of one of the fastest growing Gloucester County communities along with Inspira, SpaceWorks, Myers & Tomlin Professional Buildings, Advocate and Collision Care in The Mullica Hill Commerce Center. Relocate to the "newest" business complex strategically located in Harrison Township at the intersection of US 322 and Tomlin Station Road. Twelve Tax Abatement lots ranging from 3 to 4.5 Acres each are available for individual purchase within the C55 Flexible Planned Industrial Commercial District. This 48+ Acre fully approved/improved center includes public water, gas, electric, paved roads, curbing and approved septic system. An ideal location in one of the fastest growing Gloucester County communities along the heavily traveled Rt. 322 corridor. ****Call for Details**
